

**Badminton Free State (BFS)**  
 (www.badmintonfreestate.org.za)

**Objective**

*The main purpose of the Association is to, as a voluntary association not for gain, promote badminton in general and in the Free State in particular as a sport and public benefit activity*

**Vision**

*To develop players, coaches and technical officials on grass root and club level, in order to produce the best players in South Africa across all age groups, resulting in winning all national- team events and individual championships*

**Mission**

*We are responsible for the delivery of high performance and development systems, the delivery of provincial and local teams and to ensure that technical rules and regulations, the system of competitions and clubs in various communities are in place and accessible.*
